1:00 pm	Closing remarks

After each speaker presentation, there will be a Q&A period during which you may ask presenters questions. To ask a question, click the “Q&A” button at the bottom of your screen, type your question in the test box and click send. We will do our best to have all questions answered in the allotted time.

You may also comment on questions that others have sent in the chat feature located at the bottom of your screen. If you are having technical issues or need assistance, please click the chat icon and our team will do their best to assist you.

***Please note health care professionals will not be able to address specifics regarding your individual condition, but offer general answers to questions posed.*
